

Comsuper's 2011-12 Annual Procurement Plan

Strategic Procurement Outlook	<p>ComSuper is the Australian Government agency responsible for providing superannuation administration services to the Schemes that cater for members of the Australian Public Service (APS), participating employers and members of the Australian Defence Force (ADF).</p> <p>ComSuper has a staff of approximately 480 people and is located in Belconnen, Canberra.</p> <p>We deliver high-quality, cost-competitive administration services for the APS and ADF scheme members. We regularly benchmark our service delivery and cost effectiveness, both domestically and internationally.</p> <p>ComSuper is committed to the efficient and effective use of public moneys. When procuring goods and services, ComSuper seeks to achieve the best value for money solution available. Wherever possible, we seek to form strategic partnerships with service providers in the competitive marketplace to achieve its business objectives.</p> <p>More information on ComSuper can be found at www.comsuper.gov.au.</p>
